

SARAH'S MADE UP TO BE CHOSEN FOR TEAM

Sarah Brock, who is based in Calne, is celebrating after being chosen to join a prestigious team of make-up artists.

Already a successful professional make-up artist, Sarah has joined the regional team of celebrity make-up artist Daniel Sandler, who has worked with the likes of Naomi Campbell, Kate Moss and Yasmin Le Bon.

She has just completed being trained personally by Sandler, and as well as being able to sell his products, she could also be asked to assist him at fashion shows and photo shoots.

Daniel Sandler sells his own range of products exclusively in the Urban Retreat, Harrods, but the idea of his regional team is to bring his make-up and expert knowledge for applying make-up to women all over the country.

Sarah has already had a successful year- earlier this year, she appeared in BRIDES magazine as one of the leading make-up artists in the South West for wedding make-up.

Sarah had to go through a tough selection process to be chosen for the team. She travelled to London for an inter-

view with Daniel, in which she had to apply make-up to a model and show him her portfolio. There was also further interviews with other members of his management team. "It's a privilege to be chosen" Sarah said.

Sarah is available for 1 to 1 and group make-up lessons, weddings and special occasions, fashion/ photographic make-up. She offers a mobile service & also has a studio in the Hallmark Photographic Studio in Calne.
